Yes, I do!

A fantastic ... wedding location!

You are a world away but less than 30 minutes from the city. Over the years, many couples have taken advantage of the fantastic views from Living Springs as the backdrop for their special day. We offer a wide selection of function room options, catering for both small and large groups.

Our Executive Chef prides himself on offering something special and unique for every couple, as he is fully aware that the beauty of the food is almost as important as the bride herself!

We ensure your day is hassle free from beginning to end. Our friendly, helpful team are ready to bring to life your dreams for your special day.

The Dance can be held in the Main Dining Room or the Auditorium with a specially laid dance floor. *(additional cost)*

See you soon on your special day!
